ESSENTIAL QUESTIONS TO BE EXPLORED:

- How might we rethink Assessment for Deeper Learning?
- How might we build a culture that prioritizes meaningful assessment for deeper learning practices?
- How might we leverage assessment to ensure that ALL teachers and students experience learning that amplifies passion, engagement, and empowerment?

OPPORTUNITY TO:

- Strategize on how to make learning visible
- Prioritize deeper learning outcomes for your school
- Identify ways to capture how well students demonstrate mastery of deeper learning outcomes
- Dialogue and connect with local and national experts
- Network & share best practices with like-minded school leaders
